

Gippsland Grammar
A PASSION FOR EXCELLENCE

10 November 2021

Dear Parents and Caregivers,

GIPPSLAND GRAMMAR FEES FOR 2022

I would like to thank the Gippsland Grammar community for their ongoing support of the School. Your support has not gone unrecognised as the School is grateful for the prompt payment of fees. The Board of Directors and I would like to recognise the work being done by Leisa Harper, Principal and her staff to provide for the young people in their care.

It is with pleasure that I announce only a minimal increase for 2022, with most year levels only increasing by an average of 1.8% p.a. The School is proud of its all-inclusive fee structure which enables parents to be aware of the fees upfront for each year. We have worked hard to achieve this minimal increase, taking into account a reduction of government funding.

The School is keen to ensure that we continually upgrade the buildings and facilities which is part of the fee increase. When we look around our three campuses, we see the contribution of previous families which provide today's facilities. The School is keen to ensure that the environment is both maintained and enhanced in the coming years. We thank you for your ongoing support of the School and our mission.

The School has actively improved and increased the technology and resources across all classrooms which has been a key feature of our Learn@Home program. Significant investment and improvements with the Year 7 and 10 laptops as well as additional iPads and laptops for primary campuses has enabled our learning programs. The School continues to invest in IT infrastructure to ensure that the School's support is operating at best practice level. The School is also excited about the upcoming completion of the Visual Arts and Technology Centre at the Garnsey campus.

In closing, on behalf of the Gippsland Grammar Board, my thanks again for your support of our great School and look forward continued growth and investment in the ongoing development of the School.

Yours sincerely

Mr Brendan Shepherd

Business Notice 2022

Payment of fees

All tuition, ELC and boarding fees, plus bus fees (see below) if applicable, are charged to accounts aligned with the family's nominated payment frequency. Where no payment plan has been selected, the default 10-monthly instalment payment plan will be applied and will commence on February 1, 2022 and conclude on November 1, 2022. Irrespective of the payment frequency selected, monthly account statements will be issued after the conclusion of each calendar month with outstanding balances due on the 15th of each month. This statement will also include any ancillary costs that may have accrued during the month. To assist families in managing the payment of tuition fees, Gippsland Grammar offers several automatic direct debit payment plan options ranging from a single annual payment to forty (40) weekly instalments as outlined in the Fee Schedules. Where a payment plan option is selected it must be established at the beginning of each year.

The 10-monthly instalment plan aligns with the issuing of monthly statements.

Payment plans require a direct debit authority to be completed and can be paid directly from your bank account or credit card (Visa and Mastercard only). The updated instalment frequency options for 2022 will be released in January from which time you can nominate your preferred payment frequency via your account portal (accessed through VOS).

Families who choose not to enter a payment plan are required to pay their statement in full by the 15th of each month.

Payment may be made by cash, cheque, credit card (Visa and MasterCard), BPAY, EFTPOS, and direct debit. Further details of payment can be found on the School's website.

Please email the Finance team at accounts@gippslandgrammar.vic.edu.au if you require further details.

Ancillary tuition and boarding fees

Payment plans exclude ancillary fees and charges which are allocated to your account each month as they are incurred.

Enrolment fees

The following charges are payable for all enrolment applications:

| | |
|----------------------------------|---|
| Application fee (non-refundable) | \$110 per child (incl. \$10 GST) |
| Family Holding Deposit | \$695 per family |

The Family Holding Deposit (FHD) is paid once upon admission of the first child in the family to the School and is non-refundable upon offer of a place. The FHD is a payment that secures a student priority of placement when applying for entry in any year level between Foundation and Year 12 at Gippsland Grammar.

The FHD does not guarantee a placement when applying for enrolment in either Reception or Transition years within the Early Learning Centre.

The FHD will only be refunded if a waitlist exists for a year level that is oversubscribed, and a place cannot be offered, and no other sibling is/has been enrolled at Gippsland Grammar.

Business Notice 2022

Late payment fees

Late fees will apply in the following circumstances:

- Account balance exceeding 30 days of \$1,000 or more
- No payment arrangement has been agreed and adhered to with Gippsland Grammar; and/or
- No exception has been granted by Gippsland Grammar.

Late fees will be calculated and applied on the last day of every month and are as follows:

- \$20 for balances exceeding 30 days between \$1,001 and \$2,000; or
- \$20 + 18%pa of the total daily balance for balances exceeding \$2,000 and 30 days.

The School appreciates families can, at times, experience financial challenges and it is the School's preference to partner with our families to work through this together while still being able to deliver high quality education. In any instance where School fees are overdue and suitable arrangement cannot be agreed upon with Gippsland Grammar, the School may withdraw or revoke a child's enrolment and take legal action to recover outstanding fees.

Payments in advance (Offset Advantage)

Gippsland Grammar will offer a discount against fees for accounts with a credit balance of more than \$1,000. The discount is calculated as a percentage of the daily account balance and this rate is subject to change with one month's notice via an email to the School Community.

Further details on the Offset Advantage scheme can be found on the School's website.

Sibling discounts

Sibling discounts apply on tuition, ELC and boarding fees for more than one child attending Gippsland Grammar at the same time as follows: **2nd child 9%; 3rd child 27%; and 4th and subsequent child 44%.**

Sibling discounts for boarding fees applies only to current full-time and part-time boarders at Blackwood House.

The level of sibling discount is based on the number of siblings attending the School and is determined annually on enrolments.

Scholarships, bursaries, or any other discounts (including leave of absence discounts) are not cumulative with sibling discounts. **If a child who is otherwise eligible for a sibling discount receives a scholarship and/or bursary, only the higher discount is applicable.** Leave of absence discounts do not impact family position for other siblings and any discounts they would ordinarily receive.

Parents who find themselves in short-term financial difficulty are encouraged to contact the Business Manager to discuss whether a bursary may be available. For further information, please email:
