The School will award scholarships to students who demonstrate strong musical potential, entering Years 5, 6, 7, 8, 9, 10 or 11 in 2019. Music Scholarships are open to students currently attending Gippsland Grammar who will be entering Years 7 or 11 in 2020. Music Scholarships are open to students not currently attending Gippsland Grammar who will be entering Years 5, 6, 7, 8, 9, 10 or 11 in 2020. Students who wish to be considered for the Music Scholarships should be talented and dedicated students of music.

There is a recommended minimum standard of:

- a high pass in Grade 2 AMEB or equivalent performance level for Years 5 or 6
- a high pass in Grade 3 AMEB or equivalent performance level for Year 7
- a high pass in Grade 4 AMEB or equivalent performance level for Year 8
- a high pass in Grade 5 AMEB or equivalent performance level for Years 9 or 10
- a high pass in Grade 6 AMEB or equivalent performance level for Year 11

However, consideration will be given to students with limited experience but show potential. Music Scholarship holders are required to participate fully in the School’s musical life. This includes performing short recitals, either solo or with piano or orchestral accompaniment, at weekly assemblies, soirees, concerts and other school functions. Secondary school scholarship holders are required to perform in at least two instrumental ensembles. Instrumental group work must be chosen from two major ensembles such as the Sinfonia, Concert Bands or Jazz Band. Other ensembles may be joined if so desired and time permits. Music Scholars are expected to select classroom music through to the conclusion of Year 10. It is strongly recommended they select VCE Music Performance at VCE year levels.
Students will be interviewed by the Principal and the Director of Performing Arts and will be required to audition before the Director of Music and/or staff nominated by the Director of Performing Arts. Those who wish to be considered for a Music Scholarship are not required to sit for the ACER CSTP Scholarship examination on Saturday 23 February 2019, but may apply for an Academic Scholarship if they wish.

Auditions for Music Scholarships will take place at the School on Friday 8 May 2020. Letters will be forwarded with details of audition times following the closing date for applications.

At the audition the applicants will be asked to present a performance program consisting of at least two contrasting pieces of music on their instrument. If the student has a second study instrument, they are welcome to perform additional pieces on that instrument, although this is not essential. Applicants will also be given some sight-reading and aural tests appropriate to their grade level and these will be followed by an interview with the panel.

Music Scholarships are for free tuition in one instrument (or voice) and scholarships will also include remission of up to half academic fees.

In awarding Music Scholarships, preference may be given to students already studying, or prepared to study, instruments that are in short supply in school ensembles. Information about these instruments may be obtained from the Director of Music.
